## Practical Aid for the Persecuted Church

**We give**

The main ministry of Barnabas Fund is to send financial support to projects which help Christians where they suffer discrimination, oppression and persecution as a consequence of their faith. The projects aim to strengthen Christian individuals, churches and their communities by providing material and spiritual support in response to needs identified by local Christian leaders.

**Contest injustice**

When requested by Christians in the contexts concerned, we engage in speaking on their behalf. This can be by public petitions and letter-writing campaigns or discreet contacts behind the scenes.
