Prayer for those in prison

We pray for those in prison,
Shut in for their belief!
Great God of freedom – grant that they
Will never lose their faith:
O send your angels to them
To comfort their distress;
And may your Holy Spirit's love
Flood through their hearts to bless!

Raise up the shining vision
Of Jesus on His Cross,
No freedom then – just blood and pain –
And all seemed dark and lost;
But death's dark prison opened
On Easter's radiant morn,
And Christ the Lord stepped out to life.
From death the great First-born!

So strengthen those in prison
Till they too shall be free,
No prison wall will bar the way
To their eternity.
We pray for those in prison,
Shut in for their belief!
Great God of freedom – grant that they
Will never lose their faith!
